Introduction
Company Information.

Vision

Our aim is to provide honesty, transparency and quality service in our commercial relations which is a reflection of our company culture in the international arena and to provide a flow of business constantly looking for new ways to make our customers, suppliers, and companies happy.

Mission

To increase the number of countries which we export our products in the coming years in international trade while doing so, to provide our customers with permanent service without sacrificing the honesty line and quality level which is our company culture.

Quality Policy

As **Mimilos**, our fundamental and permanent goal is; to become a global company that competes in the international area and our customers demands; quality, price and, time. We will reach our goal by providing continuous development to our employees, to make group works among our employees, to use their ability to obtain to do their tasks in the best way efficiently, creating a work environment of respect and passionate, and sharing our creativity and consistency with them. Our company that started its transactions in 1983 has entered into the furniture sector in 2000. Our company has been in the furniture sector since 2000, and has started to produce folding table and floor table under the name of **OKUYAN**. As our company takes quality and customer satisfaction as a priority, we are proud being the leader in the sector.

Simplicity is the ultimate form of sophistication.
